A screenshot of the "Welcome to the Studio 5000™ Installation" window. The window has a blue header with the "Studio 5000" logo. Below the header, there is a "Select Language:" dropdown menu set to "English (United States)". Below that are input fields for "Name:" (containing "vasca"), "Company:" (containing "Rockwell"), and "Serial Number:" (containing "2022007546"). A checkbox for "Professional Edition" is checked. Below the serial number, there is a note: "Studio 5000 requires a valid serial number. Why this is important". Underneath is the "Install Location:" field, which shows "C:\Program Files (x86)\Rockwell Software" and a "Next" button. At the bottom right, there are "Next" and "Cancel" buttons. On the left side, there is a vertical navigation pane with options: "Welcome", "Options", "License Agreements", "Install", and "Complete". The "Rockwell Automation" logo is in the bottom left corner.
